- [ ] Haggling

ON THE TABLE

Type these into your token: HP, Max HP, AC (your Guard), and each named attack.

HP	MAX HP	AC
20	20	9

NAMED ATTACK	TO HIT	DAMAGE
Mattock	2d6+3	1d8+3
Shove	2d6+3	—
Anchor	2d6+3	—

HIT POINTS	GUARD	MOVE	INITIATIVE	ART DC
20 / 20	9	6	2d6+1	—
NOW · MAX	7 + FOOTING + ARMOUR	SQUARES	2D6 + FOOTING	7 + LORE

FROST *at 0 HP*

2d6 each turn: 2–6 a Frost, 7–11 hold on, 12 up with 1 HP. Three Frost and the mountain takes you.

STONES *Stonespeakers · back after a rest*

Warmth is the party's: on the Warmth token, 10 (12 with a Hauler).

ARTS & ATTACKS *weapons, arts, features*

NAME	ACTION · COST	ROLL	DAMAGE · EFFECT
Mattock	Action	2d6+3	1d8+3, two hands
Shove	Action	2d6+3	push 1 sq. (2 if smaller)
Anchor	Action	2d6+3	reach 2; Restrained
Belay	Reaction	—	ally in 3 sq. won't fall
Packhorse	feature	—	party Warmth is 12

GEAR & ROPE

Mattock, heavy coat (+1 Guard), camp kettle, two tonics of hot gin, rope (100 ft), crampons, lantern, bedroll, food for everyone

BONDS & LOOKS

Mira patched me up after the Long Slide. She thinks I don't remember. I do.

Sela goes first. I go right behind her, with the rope.

The Guide's quick reference

mind the white

YOUR TURN

- **Move** 6 squares, at the ground's cost. Split it around your action.
- **Action**: attack, Dash, an art, raise a cairn, Haul Out, help, hide, search.
- **Quick**: a door, draw or stow, a tonic, Mark, call out.
- **Reaction**, once a round, when something gives you one.

ROLLS

Check: 2d6 + trait (+1 with a Knack).

STANDARD	HARD	EXTREME
8	10	12

Attack: 2d6 + trait vs Guard: melee Grit (light weapons Footing), ranged Sense, arts Lore. A **12** hits and adds a die; a **2** misses.

Save: 2d6 + the trait named vs the DC. **Edge** +1, **Snag** −1, up to ±2.

THE GROUND

GROUND	IS	COSTS
Normal	trail, floors, safe ice	1
Difficult	deep snow, scree, streams, thin ice, drifts	2
Blocked	crevasses, open water, chasms, rubble	—

- **Dash** over ice or scree: Footing 8 or Prone.
- **Shoved off** an edge: Footing 8 to catch it, or fall: 2d6, out until hauled up.
- **Roped**: no Footing rolls; within 2 squares; catch a faller with Grit 8.

The ruler counts it for you. Say what the ground is before you step.

SIGHT

WEATHER	YOU SEE
Clear	the whole map
Haze	60 ft
Snowfall	30 ft · far shots Snag
Squall	15 ft
Whiteout	10 ft · Snag on Sense
Lantern underground	30 ft

- **Rock, walls, closed doors** block sight. **Ice** doesn't: see through, can't pass.
- **Pines and steam**: nobody sees in; you see out.
- **Still in the snow**: Sense 8 to spot it. **Hide**: unseen, in cover, Footing 8.
- **Raised cairn** within 6 squares: weather one step better.

CONDITIONS

Blinded *snow-blind*	Snag 2 to hit; Edge vs you
Frightened *shaken*	Snag while it's in sight
Grappled *held*	Move 0
Restrained *snowbound*	Move 0, Snag to hit, Edge vs you
Prone *lost footing*	Stand: 3 squares. Edge vs you adjacent
Invisible *white on white*	hidden
Poisoned *frost-sick*	Snag on every check
Stunned *winded*	no Action or Reaction, half Move
Concentrating	hit: Grit 8 or the art ends

DOWN, WARMTH, REST

At **0 HP**: Unconscious, roll for Frost each turn. **Haul Out**: an Action and Lore 8, up with 1 HP.

Warmth (the party's token): 1 a watch outside, 2 in a squall or whiteout, 1 a short rest. At 0: Snag on everything, 1d6 cold a watch.

Short rest: an hour, half your HP back, your Stones. **Long rest**: the hospice or the guildhouse.

ON THE BOARD

- Your token holds HP, Max HP, **AC** (your Guard), conditions and named attacks.
- Roll named attacks from the **Play** tab; the GM rules the hit.
- Drag your token: the ruler counts squares, double on Difficult ground.
- You see what your token sees. The GM sets the sight range to the weather.

NOTES *routes, cairns, who owes you a drink*
